

Picking Items for Request

Picking Items for Request

The screenshot shows the JAGGAER Stockroom application interface. The top navigation bar includes the JAGGAER logo, the word "Stockroom", and a user ID "z3130934". A "Menu" button and a "ChemStore" dropdown are also visible. The main content area is divided into three columns:

- Stock Master:** Search Stock Master, Add Stock Master Item.
- Replenishment:** Review Replenishments, Restocking Stockroom, Generate Restocking Adjustment Worksheet.
- Inventory:** Search Stockroom Inventory, Search Stockroom Inventory Summary, Adjust Item Inventory, Generate Adjustment Worksheet, Returns, Review Pending Reconciliation Records.
- Settings:** User Preferences, My Stock Master, Setup Stockroom, My Stockrooms, Logging.
- Request Fulfillment:** Pending Requests, Adjust Pick Quantity, **Pick Items for Request** (highlighted with a red box), Reprint Pick Slip.
